

Health and Safety Policy Statement

The objective of the Armourpost Limited's Health and Safety Policy is to prevent, insofar as it is reasonably practicable to do so, during the course of the work or duties being undertaken, any accidental occurrence resulting in:

- Injury to any person.
- Damage to or loss of any plant, equipment, property, materials or products.
- Delays in any processes or operation.
- Events that may otherwise be detrimental to efficiency and/or prestige.
- Adverse impact upon the environment.

The Policy is applicable to all Armourpost Limited Employees and all persons whose presence is necessary at Armourpost Limited premises or workplaces. This includes the Employees of Sub-Contractors, and Self Employed Persons.

The application and promotion of the Policy is the responsibility of Senior Management of Armourpost Limited. Whilst duties and tasks may be delegated, the overall responsibility remains that of Senior Management to ensure that the Company complies with all relevant statutory health and safety legislation, common law and Approved Codes of Practice.

Individuals can make important contributions to the development and implementation of policies and arrangements. Armourpost Limited will give all opportunities for participation in this process and actively encourages involvement of Employees either directly or through their representatives.

To ensure that this Policy can be successfully implemented, Armourpost Limited Senior Management will provide such funds as is reasonably necessary. Suitable and adequate measures shall be taken to safeguard any person, plant, equipment, property, material or product likely to be exposed to any known or suspected hazards associated with or arising out of the processes, tasks or operations being undertaken. Armourpost Limited will take into account at all stages, those factors which assist in eliminating injury, damage and waste.

Adequate provision shall be made for the Welfare needs of Employees whilst carrying out their tasks and duties and any hazard to health associated with the work shall be the subject of strict precautionary measures.

This Policy shall be reviewed and kept up to date by Mr Geoff Young, the Director Responsible for Health and Safety, to take into account changes in legislation, reflect changes in the nature and range of activities carried out by Armourpost Limited and take advantage of operational experience, negative and positive, as often as may be necessary.

It is our intention at all times to strive to better ourselves and others through training and constant personal development to continually improve our Health and Safety Management Systems and Policies to ensure our working environment a safer place for all to work.

For and on behalf of Armourpost Limited

Mr. Geoff Young

Managing Director Responsible for Health and Safety
