Sliding Retractable Security Gates

High security tested to Loss Prevention Standard 1175 (LPS 1175).

The system can be easily fitted to the face or reveal of a window or door aperture and can be specified in a single or double-sash configuration. Where a clear walk through is required bottom track can, as an optional extra, be made to fold up.

- **Versatile** - Fits internally in either the window reveal or around the opening in either single or double-sash configuration
- **Ease of use** - Smooth top running operation with an optional extra of a fold-up bottom track to leave doorways unobstructed
- **Secure** - Multi-point locking operating from a single key

- Exceptionally strong security barrier
- Galvanised for corrosion resistance and powder coated
- Fully retractable system
- Excellent through-vision when locked
- Multi-point locking from a single key
- Smooth running carrier system
- Custom built for any opening
- Quick and easy to use
- Can be fitted with a locking post at both ends to provide maximum flexibility of operation
- Where access is not required, a fixed sash option is available
- An unlimited width can be accommodated in sections
- Supplied in a high quality white powder coated finish as standard
- Optional RAL colours available
